Your holiday homes in Flensburg

Moin, moin,

the ancient little townhouse in the historic city centre was built in the golden age of the Flensburg rum trading companies in the 19<sup>th</sup> century, when cane sugar imported from Danish West India was refined in Flensburg.

Today the two classy furnished holiday flats „Gerty Molzen“ and „Hugo Eckener“ are the perfect starting point to explore the cultural heritage as well as the rich and manifold leisure time facilities of Flensburg and the border area between Germany and Denmark.

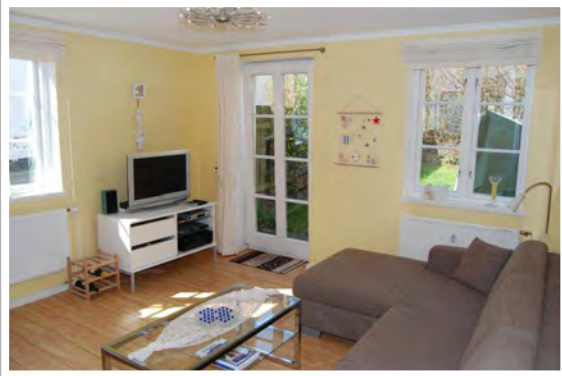

The cosy ambience of Stadthaus1846 invites you to relax and recover from everyday rush and stress.
